European Society of Anaesthesiology guidelines on peri-operative use of ultrasound-guided for vascular access (PERSEUS vascular access): Erratum

The authors of the 'European Society of Anaesthesiology guidelines on peri-operative use of ultrasound-guided for vascular access (PERSEUS vascular access)'¹ would like to credit the original source of figure 1 in the published guidelines. Due to an oversight, this information was omitted from the published version.

The correct figure legend for figure 1 reads:

Fig. 1: Step-by-step approach for vascular access placement. Although this refers to ultrasound-guided catheterisation of a vein, it can be applied to any vessel. Reproduced from Ref.² Saugel; <http://creativecommons.org/licenses/by/4.0/>, no changes made

We apologize for this oversight.
