

EDAIC Part II feedback/complaint regulations

Feedback

Definition: The feedback gives a detailed report showing the marks of the candidate's performance in each topic covered during the examination.

Fee: 50€

Procedure: The Feedback Application Form must be completed and returned to ESAIC, together with the appropriate fee at the latest 30 days from the time their detailed results are e-mailed to them.

Complaint

Definition: A complaint will only be deemed valid for consideration when based on procedural irregularities in the conduct of the examination.

It is important to note that complaints based on academic judgement, special circumstances affecting performance (ill-health, personal issues), or lack of awareness of examination regulations and procedures will be deemed invalid. Once validated during the call-over, results are final and cannot be altered. As a consequence, it is not possible to appeal.

Fee: 340€

If the Part II Subcommittee confirms that a breach of protocol has occurred and has seriously impacted on the conduct of the examination, the ESAIC will reimburse the 340€ fee and, at its discretion, may consider offering a free registration for the EDAIC Part II on the following year.

Procedure: The Complaint Application Form must be completed and returned to ESAIC, together with the appropriate fee at the latest 30 days from the time their detailed results are e-mailed to them.
