Using psychometric ability to improve education in ultrasound-guided regional anaesthesia: a multicentre randomised controlled trial. Chuan A, Jeyaratnam B, Iohom G, Shorten G, Lee P, Miglani S, Kwofie K, Szerb J, Niazi AU, Jin R, Jen T, McCartney CJ, Ramlogan R; Education in Regional Anaesthesia Collaboration (ERAC) Group. *Anaesthesia*. 2021; 76: 911-917.

Preferred exchange programme (Duration)

- 1 month
- 2 months
- 3 months

Specific months:

- January
- February
- March
- April
- May
- June
- September
- October
- November
- December

Language requirements of an attending trainee:

English

Languages spoken in the department

English

Is accommodation available for an attending trainee (hospital facilities, useful links)?

No

Remarks and comments:

IMC registration is a pre-requisite for both observership and hands-on practice, therefore observership becomes a personal choice. Most applicants opt for hands-on training.
