Department Profile:

Ankara University Medical Faculty is a tertiary care hospital for patients from all over Turkey. It is a high profile medical faculty for both medical faculty students and residents for all subspecialties. Ankara University Medical Faculty Hospitals have over 2000 beds, 47 specialities (including intensive care) in two campuses. Our department has been entitled to receive "Certificate of Accreditation of a European Center for Training of Anaesthesiologists" since November 2015 for four years and is a Host Centre for Trainee Exchange Program organized by ESA. Now we are re-accredited of 4 years (July 2022-July 2026) on line by EBA-ESAIC Accreditation of Training in Anaesthesiology and Intensive Care (ATAIC) Committee
