ESAIC Exchange Programme

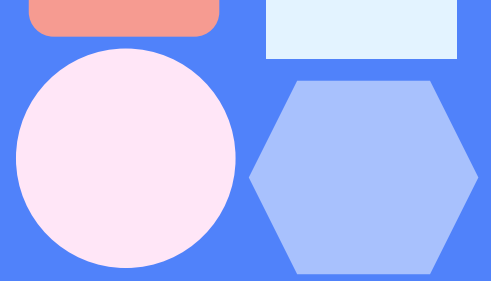

— Host Centre —

Hospital Name: University Medical Center of the Technical University Munich

Hospital Address: Ismaninger Strasse 22
Munich 81675,
Germany

Department Profile:

The Department of Anaesthesiology and Intensive Care at the University Medical Center of the Technical University in Munich is one of the largest in the country, performing over 46,000 anaesthetic interventions annually. To ensure top quality care for each patient, a wide variety of anaesthetic services, including a full range of regional anaesthetic techniques, are performed at the highest professional level. To provide comprehensive perioperative care, the clinic features a specialised acute pain unit and an interdisciplinary Center for Pain Management. In addition, critically ill patients receive care in two interdisciplinary ICU wards with a total of 51 beds, managed by the Department of Anaesthesiology. The department also offers exceptional expertise in neuroanaesthesia, facilitating the successful treatment of complex neurological conditions and the performance of intricate surgical procedures.
