SUSTAIN-EUROPE Appendix 4 - End of study reporting form

Centre number		
Institution Name		
Recruiting period	From *(DD/MM/YYYY)* To: *(DD/MM/YYYY)*	
		# of patients
1-How many patients were screened (= All patients that were invited to participate)	Total # of patients screened for eligibility during the study period	
2-How many patients were included(= All patients that were invited and accepted to participate)*	Total # of patients fulfilling the eligibility criteria and recruited during the study period	

*Please be aware that these numbers imply not only inclusion, but also completed data entry, and adequate answer to the queries for data consistency. The numbers reported by the centres will be checked for consistency with REDCap database.

Please confirm collaborators from your centre with substantial involvement in the study by order of importance.

Centre recruited >25 patients-1 investigator, >50 patients-2 investigators, >100 patients-3 investigators, >150 patients-4 investigators, >200 patients-5 investigators, >250 patients-6 investigators, >300 patients-7 investigators, >450-8 investigators, …

# of patients recruited	# of collaborators per centre	**First Name**	**Last Name**	**E-mail address**
