Basic and Clinical Sciences Anaesthetic Course (BCSAC)

The BCSAC 2026 will be held online on **Friday 12, Saturday 13 and Sunday 14 June and Friday 26, Saturday 27 and Sunday 28 June 2026**. It will be a fully virtual course, and lectures will remain available online for three months after the live event.

Participants can choose between live, on demand or both to obtain the Certificate of Attendance and CME credits. They will receive the number of CME credits corresponding to the number of lectures watched either live or on-demand thanks to the intelligent tracking system.

Candidates will also have the opportunity to take a test of knowledge before and after the course to gauge their progress.
