IMPORTANT

Additional prerequisites specific to the host Centre / country.

Candidates must first apply for recognition of qualification from one of the Communities.

After recognition by the Communities, a visa application is automatically initiated at the FPS Public Health. You will be contacted to provide the following documents:

Certificate of good conduct and morals

Certificate of good professional conduct

Proof of sufficient knowledge of one of the 3 national languages of Belgium, on the basis of 1 of the following documents:

- a diploma of secondary education from a Dutch-, French- or German-speaking educational institution
- a diploma of higher or university education from a Dutch-, French- or German-speaking educational institution
- a C1 language certificate (no older than 4 years)

If you can't provide proof of sufficient knowledge of one of the 3 national languages of Belgium, only an observership is possible.

!! Take into account that it takes several months (up to a year) to obtain a visa. We advise you to submit the application as soon as possible.
