Intensive Care

# ESAIC Exchange Programme

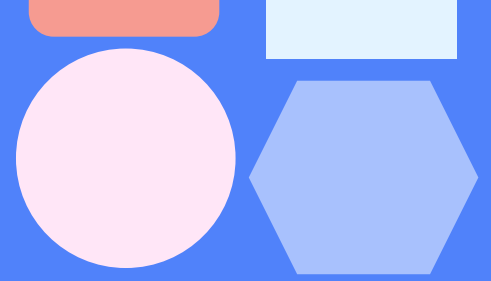

## — Host Centre —

Hospital Name: UZ Leuven

Hospital Address: Herestraat 49, Leuven 3000,  
Belgium

Department Profile:

Department of Anesthesiology, UZ Leuven

The centre offers welcomes:

- Residents/Young specialists (no less than 3rd-year Trainees and young specialists in their first 5 years)
- Specialists (no less than 4th-year Specialists or more senior)

The host Centre offers:

- Observership (will not provide patient care with direct patient contact)
- Hands-on training (will provide patient care/have direct patient contact)

Training subject to the following legal requirements:

#### Observership

/

#### Hands-on

Recognition of your basic medical degree in Belgium + registration at the order of physicians in Belgium. You need at least 3-4 months to complete all the paperwork. The paperwork needs to be completed before the start of the hands-on training.

#### Language requirement(s):

Observership: English

Hands-on training: One of the required documents when requesting a visum to practice medicine in Belgium, is an official proof of CEFR language level C1 in Dutch, French OR German. Without the necessary language level, you will not receive the visum and therefore cannot do an active internship (only an observership is possible)

#### Languages(s) spoken in the department:

Dutch, English

## Anaesthesia Subspecialty or Intensive Care Medicine — Hands-on training:
