Intensive Care

ESAIC Exchange Programme

— Host Centre —

Hospital Name: University of Leipzig Medical Center

Hospital Address:
Liebigstraße 20

Department Profile:

The Department of Anaesthesiology and Intensive Care at the University of Leipzig Medical Center provides anaesthesia care for more than 27,000 patients annually. Except for cardiac surgery, we cover the full range of clinical services including neonatal/paediatric surgery as well as kidney and liver transplantation. The 50+ bed multidisciplinary surgical ICU is not only led by our department but also provides the full spectrum of intensive care including ECMO therapy. Exchange trainees will be given the opportunity to observe, immerse and learn in all anaesthesia and intensive care services of the department.

The centre offers welcomes:

- Residents/Young specialists (no less than 3rd-year Trainees and young specialists in their first 5 years)
- Specialists (no less than 4th-year Specialists or more senior)

The host Centre offers:

- Observership (will not provide patient care with direct patient contact)
Hands-on training (will provide patient care/have direct patient contact)

Training subject to the following legal requirements:

Observership

Valid visa (depending on country of origin), letter of recommendation by department chair

Hands-on

not available
